Re: Legislation Task Force

Dear Ms. O'Donnell:

During the informal conference conducted on August 16, 2007 it was announced that the Commission wished to form a task force to consider drafting legislation to more clearly authorize the PSC to approve cost recovery mechanisms outside the scope of a rate case. If such a task force is formed, I would like to be a member as the representative of Duke Energy Kentucky. I appreciate your consideration.

Best regards,

Michael A. Gribler
